DEDICATION

The Class of 1952 dedicates this TIGER to a wonderful yearbook sponsor. Since the very first plans were being laid for this annual she has been the link that has kept us on the road to a good yearbook. We wish this dedication could show just one half of the gratitude and appreciation we feel for Miss Patricia Zobel.

Vote for Betty! That was the cry that started Homecoming weekend and the student election of the Queen on Wednesday.

That evening the high school gathered at the football field for a pep rally. A huge bonfire, started by the lighting of the Queen's votes of the afternoon, completely burned the Madrid dummy. After yelling, singing, and speeches, the student body was led by the cheerleaders in a snake dance through the business district of town to the Star Theatre where several yells and the school song brought the rally to a close.

On Friday afternoon at 2:30 the parade for the homecoming was held.

A fairly large crowd gathered Friday evening for the game with Madrid. The first half of the game, having little action, ended 0 to 0. At the half time Betty Halverson, a senior, was crowned Queen by Loyal Johnson, King. The Queen's attendants were Doris Hale and Shirley Shuey, LaRita White, and Leona Brunk. Loyal presented each with a corsage of red roses. In the third quarter Madrid recovered the ball after a fumble by Colfax and made their only touchdown. On the kick-off Francis Millburn, Colfax fullback, received the ball and ran 90 yards for a touchdown. The game ended with a 6 to 6 tie.

Following the game a Homecoming Dance, was held in the gymnasium. The dance was well attended by the student body, faculty, alumni, and visitors who danced to music by John Roberts' orchestra. During intermission Betty Halverson gave her thanks to everyone. The dance brought to close a very successful homecoming.

OUCH!*** O U C H! Say, whoever you are, I wish you wouldn't bump into me with your barrel.....BARREL! Say, what happened, Charlotte? Were you in an all night poker game?

I guess I'll go inside. Maybe things will be a little less confusing there. What's that awful smell? I think it's onions--or is it garlic? Say, will somebody please tell me what's going on here? What! Freshman Initiation? Golly, I forgot my baby bottle!

FRESHMAN ALL-HIGH MIXER

After the storm-the calm. Though the Freshman Initiation All-High Mixer was scheduled to begin at 7:00, the first timid Freshman poked his nose cautiously through the gymnasium doors at 8:00.

Under the direction of some of the faculty, special dances started the evening in which almost everyone, willingly or unwillingly joined.

Finally the doors were locked and everyone went "home", having started the Freshmen on their upward journey through high school as blood brothers "of the upperclassmen."

What's Showing in the "Little Movie"?

Just ask anyone in the Operators' Club. This is a group of students who operate the movie projector and tape recorder, take pictures, and help teachers use the many films and materials to show to their classes.

Chief operator is Doyle Kaldenberg. Eleanor Schoonover holds the office of secretary.

Future plans are to set up a music program for hot lunch, keep adding to the "Little Movie", and get more equipment.

JUNIOR CLASS PLAY

The adventures and misadventures of Miss Tommy Billings, a small town Junior miss, who has seen too many movies for her own--and everyone else's good. Lovable, but with an overactive imagination, Tommy gets practically everyone in hot water, her father, the doctor; her chum, Dodo; her sister, Flora Lee; - the eccentric maid, Cleata; and the school teacher, Miss Thaxter, who is just crazy for culture, all are victims to Tommy's scheme to make everyone happy--whether they want to be or not. However, when the wealthy spinster, Miss Cassandra Thorn, pays the family a visit and Tommy decides an ancient romance should be revived, the complications that ensue almost teach her a lesson. Answering Lonely Heart advertisements, rewriting the school play, getting the money for her father's Clinic, patching up broken hearts, Tommy has a busy time--and her scorched family and friends are forced to agree with this sub-deb package of Dynamite.

OUR FOUR YEARS

The long awaited day came when our class entered high school as Freshies. This year passed with many new exciting events taking place. The seniors gave an all high mixer dedicated to the freshmen on the day of initiation. This enabled us to become more acquainted with some of the upper classmen.

In our sophomore year the majority of our class concentrated on our grades. This year many of the kids in our class were active in sports and other school activities.

Our junior year was a time of heavy burdens, but we conquered them with flying colors. We presented the junior class play titled, "A LITTLE HONEY." Toward the end of the year we received our almighty class rings and sponsored the Junior-Senior Prom and Banquet.

Finally--the year we were all looking forward to arrived. We had our pictures taken, caps and gowns fitted and did all the other things which come from being a senior. Many of us will go on to college or to other careers but no matter what, we will never forget good old C. H. S.

We wish to extend our most humble thanks to those who have guided us through the halls of knowledge and on to the highway of success, as we "BUILD FOR CHARACTER NOT FOR FAME."

And so to you from the Class of '52

SUPERINTENDENT'S MESSAGE

When we reach the end of another school year at Colfax High, it is appropriate to have a reckoning of what has been accomplished. This yearbook presents a portrayal in words and pictures of the year's events and, in effect, a listing of accomplishments. Having this in black and white and picture, is not, in itself, sufficient to leave with us a lasting memory of our year just passed. We must all be aware that a faculty with new students, and students with a new faculty worked and grew together successfully. The year has seen wholesome growth in student government, constant display of good sportmanship in athletics, and increasingly good scholarship. We have, additionally laid firm foundations of teamwork and planning which must be appreciated in the years to come. This has truly been a memorable year.
